

doctest::registerReporter

```
graph LR; A[doctest::registerReporter] --> B[doctest::detail::registerReporterImpl]
```

The diagram illustrates a function call. On the left, a gray rectangular box contains the text 'doctest::registerReporter'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. This white box contains the text 'doctest::detail::registerReporterImpl' on two lines.

doctest::detail::registerReporterImpl
